4 STATEMENT OF FACTS

5 This statement of facts is based on the reports, documents, and notes furnished
6 to Immigration and Customs Enforcement Special Agent Chad N. Worgen

7 On March 4, 2008, at approximately 1148 hours, Customs and Border Protection Officer
8 (CBPO) L. Parker was conducting primary inspectional duties at the Calexico, California
9 West Port of Entry when Francisco SALAZAR-Fernandez applied for entry on his lane
10 driving a 2002 Dodge Dakota pickup truck with Mexican license plate number
11 BM97709. SALAZAR was the sole occupant and registered owner of the pickup truck.
12 CBPO Parker received a negative oral Customs declaration from SALAZAR. During
13 cursory inspection, CBPO Parker observed SALAZAR'S body was shaking. CBPO
14 Parker referred both SALAZAR and the pickup truck to the vehicle secondary lot for an
15 intensive inspection.

16 CBPO R. Mendibles was conducting secondary inspectional duties and observed
17 the Dodge Dakota pickup truck in the secondary lot waiting inspection. CBPO
18 Mendibles approached the driver, and he identified himself as Francisco SALAZAR-
19 Fernandez. CBPO Mendibles received a negative oral Customs declaration from
20 SALAZAR. CBPO Mendibles requested Canine Enforcement Officer (CEO) D. Alba to
21 screen the pickup truck with his Narcotics Human Detector Dog (NHDD).

22 CEO Alba informed CBPO Mendibles that the NHDD had alerted to the dash
23 area of the pickup truck. CBPO Mendibles conducted an intensive inspection of the
24 dash area. Upon further inspection, CBPO Mendibles discovered a specially built non-
25

1 factory compartment in the dash area of the pickup truck. CBPO Mendibles opened the
2 compartment and discovered numerous packages within.

3 CBPO Mendibles removed one of the packages from the compartment. CBPO
4 Mendibles probed the package, and it produced a white powdery substance that field
5 tested positive for cocaine. A total of 17 packages of cocaine were removed from the
6 compartment. The total weight of the packages was 19.18 kilograms (42.20 pounds).
